Redecorating Update

As we have been letting you know, the redecorating in the skilled nursing will begin in August. Initially we expected to start the week of Aug. 5, but it has now been pushed back 1 week, so we are anticipating this to begin the week of Aug. 12.

We will begin on A hall with 3 rooms, and our Social Services dept. if they have not already, will be in touch with the affected residents/families about 1-2 weeks before the need to relocate residents will happen. There will be a letter going out with the August invoices explaining a bit more in detail as to what will be happening and how we will be notifying residents/families. As stated in the letter, this may be a wonderful time to go through your family members closet and clean outdated or out of season clothing. As always, please let us know if you have any questions.

Visitor's Badges

You will notice a new sign on the entry doors to both the Manor and the Lodge regarding the Visitor badges. We are asking that when you are in the building visiting, you please sign into the visitor book/binder and wear a visitor's badge during your visit. As some of you may recall, this all came about after some Active Shooter training our facility went through. It was highly recommended that all visitors sign in and wear a badge in the event an incident were to happen – the reasoning is that we would want to know who is in our building and be able to account for everyone if something were to happen. The Visitor badges are located in the Manor at the Receptionist desk to the left as you come in the front door. In the Lodge they will be located on the desk as you come in the front door and we would ask you to please return them when you leave the building.

AUGUST

August is sure to be a very busy month!

Mark your calendars for Saturday, October 12th! We have chosen a date for our picnic! It will be a fantastic 1950's themed event with outstanding live music from Rockabilly Kid, and delicious diner-style food! Be there or be square!

Join us this month for delicious treats on Happy Hour Fridays! We're featuring Cheese Puffs, Chips & Dip, Pizza, Cheese & Crackers and Chips & Salsa throughout the month! Also, we are proud to host a Birthday Bingo on Tuesday, August 27th with Salem United Church. Check out our monthly calendar for details about our awesome entertainment for the month of August! We will also begin working on our decorations for the big picnic in October!

At Four Winds Manor, we will begin our redecorating in the month of August! A, B, and D halls in the Manor will be worked on little by little, and as each room is revamped, residents will be relocated for 3-5 days. This is a great opportunity to do some summer cleaning! We encourage you to go through your closets and drawers before you relocate to make the transition back to your new spiffy room even easier!

Please remind your visitors that they need to sign in and pick up a visitor badge on their way into the building. Not only are the visitor badges stylish :) ---they are essential to keeping our Four Winds Community safe and secure. The badges and sign-in book are located at the reception desk! We thank your friends and family in advance for signing in & out and for wearing the badges during their visit!

Pardon Our Dust

**As You May Know,
Redecorating Will Begin In August!**

We Would Like to Thank You
For Your Patience As
The Work Begins!
Rooms Will be Revamped
With New Wardrobes,
Toilets, Floors,
Countertops and Sinks!

**All of the rooms on A, B, and D
of the Manor are included!**

The redecoration team will begin soon, and will work on and complete a few rooms at a time. The residents of those rooms will be temporarily relocated for 3-5 days while the work is completed. Each resident will move with their bed and belongings to a temporary room while the work is being done, and upon completion just a few days later, they will move back in to their fancy new room!

We're Sprucin' Up This Summer!

We Need Your Help!

As you know, we're revamping and redecorating all of the rooms on A, B and D Halls. This requires us to move each resident's personal belongings from their room before the work can begin.

This is a great opportunity for a bit of summer cleaning! We would like your help! With this move, it is a great opportunity to clean out and reorganize each space. We are encouraging families to help clean out the clutter before we begin. Please go through closets, drawers, and cabinets, so that we can ensure an easier move and more seamless transition when the work is done. It is also a great time to discard any items that are not permitted at Four Winds, including aerosol hairspray, 'straight' disposable razors, air fresheners, electric heating pads, curling irons or hair curling sets, extension cords, wick-bearing candles (even if they are meant just to be decorative) and electric blankets.

We thank you so much for your help!
